

THE LIBRARY SPACE

Reserve Materials

Instructor-selected course materials and textbooks are placed “on reserve” for students enrolled in a particular class. These materials are kept at the circulation desk and are available for in-library use on a first come/first serve basis.

Study Rooms

Private rooms may be reserved for study groups and meetings of up to 12 people. Room features include flexible workspaces, ROKU televisions, and whiteboards.

Maker Space/Media Room

Items such as 3D printers, sewing machines, recording equipment, a green screen, an OWL camera, and a Cricut machine with accessories are available for in-library use. Use items on a first come/first serve basis or contact the library to reserve the room.

Computers and Printing

24 computers are available for printing, scanning, and copying. Printing credits are allotted according to the number of credits enrolled. Students may add to funds via the Cashier's Office.
